

Dear sports clubs representatives

COVID-19

Due to the Risk of Coronavirus and in accordance with Government Guidance (which is coming through on a daily basis), we have taken the responsible decision to cancel the ASA meeting scheduled for next Wednesday, 25 March 2020.

Regrettably, due to the serious nature of the Coronavirus situation, the Parish Council has taken the responsible decision to close down the use of the Sports Pavilion. A second lock will be fitted to the main door (only I will have a key) - the joiner is trying to carry out the work within the next 7 days. Once installed, a deep clean will be given to the building before it is locked up again.

In accordance with the instructions from the British Crown Green Bowling Association, the Liverpool and Lancashire FA's, Sport England (Cricket Board & LTA are sending out instructions this week), the Parish Council has once again taken the responsible decision to close down all amateur sport at Winifred Lane Playing Field. Please ensure your members are all aware of the situation.
