

Dear Member

A warm welcome to the new season 2021 at Town Green Tennis Club. The season starts on Tuesday 13th April which is our first club night 7.00pm. Both members and prospective members will be welcome to come along.

We hope that this season will be much better than our COVID-19 interrupted 2020 season. We have to start with three supervised sessions keeping COVID-19 rules in place, the pavilion will not be open but hopefully by May our Southport League fixtures will be playing and we will open up fully by June. We will also start Saturday coaching as soon as possible.

Don't forget if you want Wimbledon tickets, these are now only available to British Tennis members who have opted in 2021 draw. If you are allocated tickets, the LTA will contact you direct.

As usual, we will play throughout the year weather permitting.

Have a great season.

Julian

Chairman
